Gokulam is the place where an ordinary cowherd boy blossomed in to a divine incarnation. It is here that Krishna's magical days of childhood were spent and his powers came to be recognized.

Every child has that spark of divinity within. Balagokulam is a forum for children to discover and manifest that divinity. Balagokulam will enable Hindu children in US to appreciate their cultural roots, learn Hindu values in an enjoyable manner and make good friends. They will also develop a sense of Sewa, Service to humankind.

Hindu Temple of Central Indiana's (HTCI) goal is to promote Hindu heritage and to unite the Hindu society.

Our Goal is ...

- To facilitate children to appreciate, learn and practice Hindu way of life.
- Instill pride and confidence in Hindu children about their identity.
- Raise Hindu awareness in the society around.
- Develop social awareness and leadership skills among children.

This is done through games, yoga, stories, bhajans, shlokas, arts and crafts. Balagokulam and Chetna (Youth) programs are of 90 minutes duration that includes various activities related to physical, intellectual and spiritual needs. We have a dedicated team of teachers who are willing to work with and teach our children.
